Customer Problem Statement Template:

Example:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	People of the society	to convert handwritten digits into machine readable formats.	Before there is no OCR(Optical Character Recognition) technique, if the technique already exist we will implement this well and good	So, now we are going to implement the OCR technique in our project to implement it successfully.	We find some difficulties in recognizing the handwritten digits so to make the users to recognize the digits in a sophisticated manner.
